

Meet our Global Business Team – Cayman

At RBC Royal Bank our main priority is understanding your business financing needs. As a global business client you will benefit from a tailored service offering which is convenient, efficient and hassle free. You will also have a qualified and experienced Relationship Manager to oversee your financial needs.

Our Client Profile:

Global Business clients are typically Businesses that are:

- Tax exempt International Companies
- Non- Resident Businesses and/or Businesses that provide services not offered on island

Eligible clients benefit from the below*:

- 1) Dedicated Relationship Manager who accepts your instructions by telephone, fax or email and setting-up of permanent instructions
- 2) Access to Captive Insurance Services
- 3) Access to a wide range of currencies
- 4) Faster approval process for the movement of funds
- 5) Digital Banking solutions which allows for Banking on the GO 24/7

*Fees and charges are competitive for these offerings (<https://www.rbcroyalbank.com/caribbean/digital-hub/features-business.html>)

Our team has international and Pan Caribbean reach as we operate across jurisdictions such as: Barbados, Bahamas, Cayman and Dutch Caribbean. Your Relationship Manager will remain your main point of contact and is supported by Global Business Associate and the Management Team all who are committed to providing you with financial services required at RBC.
